2024-29 Strategic Plan At a Glance

Vision: Internationally-recognized evidence, knowledge and action for a healthier Ontario.

Mission: We enable informed decisions and actions that protect and promote health and contribute to **reducing health inequities**.

Mandate: We provide scientific and technical advice and support to clients working in government, public health, health care and related sectors.

Values:

- Credible
- Collaborative
- Innovative
- Integrity
- Responsive
- Respect

Public Health Ontario Santé publique Ontario

Strategic Direction 1

Lead provincial public health data transformation, leveraging advanced analytics to drive evidence-informed practice and decision-making

When taken together, complemented by our **Indigenous Strategy**, they will advance public health and the health system and drive performance improvement.

Strategic Direction 2

Strengthen laboratory leadership, advance genomics for public health action, and sharpen the focus on complex microbiology testing

Strategic Direction 3

Advance public health and health workforce capacity and knowledge to improve population health outcomes

Strategic Direction 4

Accelerate moving evidence to action as the convener and integrator of expertise on public health issues and drive quality improvement for public health

Enablers for Success

Great People

Robust Partnerships & Alliances
