

Directions to 1200 Commissioners Road East Main Entrance for Private Citizen Water Testing Samples

Effective: Nov. 9, 2020

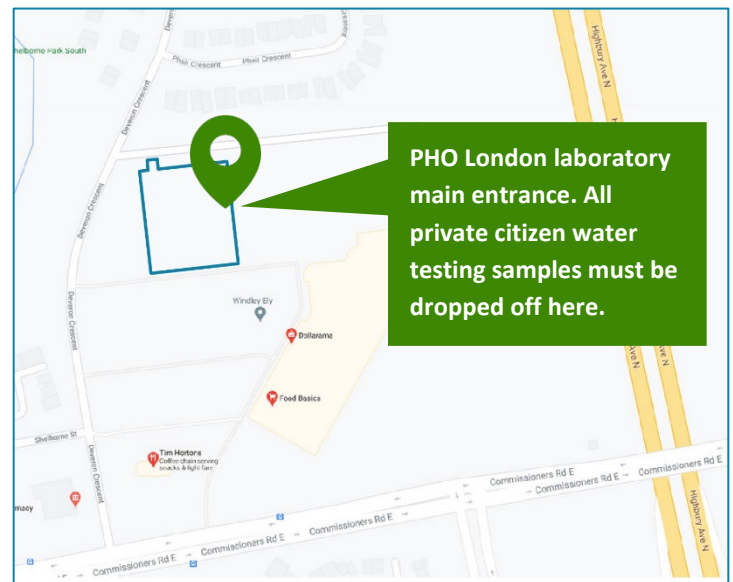

The following directions should be followed for all deliveries of private citizen water testing samples to the Public Health Ontario London laboratory site at 1200 Commissioners Road East, Unit 102.

To drop off private citizen water testing samples, please enter through the PHO London laboratory main entrance (facing Highbury Avenue).

PHO's London laboratory is open Monday to Friday 8 a.m. to 5 p.m. (closed on statutory holidays).

Directions:

1. PHO's London laboratory site is located at 1200 Commissioners Road East, Unit 102. When arriving at the plaza, the building is across from the Food Basics.
2. The main entrance for dropping off private citizen water testing samples faces east towards Highbury Avenue North.
3. Staff will direct you as required.

Please note that all **clinical samples (courier deliveries and STATs)** must be **delivered to the shipping dock** at 1200 Commissioners Rd. E. **at the rear of the building**, which can be accessed via Deveron Crescent.

For more information please contact the **Public Health Laboratory London**
