iPHIS Sporadic Outbreak Numbers with Provincial Unknown Exposures

Updated: July 2026

The list below contains a list of the provincial unknown exposures and exposure IDs associated with sporadic outbreaks. All public health units can link cases to the sporadic outbreak unknown exposures.

Users must not modify the exposure details for the unknown exposures listed below.

Please note that there are some sporadic outbreaks omitted from the list below, which would have only known exposures and therefore do not need an unknown exposure.
